(1990-2011) TMI Focus
HEMI-LYNC Compilations

Hemi-Lync: Making Global Connections was a bulletin board that appeared regularly in the TMI Focus from 1992-2007. It was designed to connect readers with people, events, and publications around the world that had something to share about Hemi-Sync and The Monroe Institute.

Groups (1993-3)

The Institute of Noetic Sciences from April 2nd through April 6th, IONS held its annual board meeting at The Nancy Penn Center. All board members had PREP (Personal Resource Exploration Program) sessions in the TMI lab and expressed enthusiasm for Hemi-Sync's potential to enhance both personal creativity and harmony within groups.

National Institutes of Health, Office of Alternative Medicine On March 27th, the director and staff of the Office of Alternative Medicine spent a day visiting TMI and familiarizing themselves with our technology, research, and facilities. Exploration of mutually productive areas of interaction and cooperation is under way.
